FROM REV.J. NEWTON BROWN, D.D., EDITOR OF THE ENCYCLOPEDIA OF HELICIOUS ENOWLEDGE.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; yet I know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others. I do this the more readily in regard to Hooftand's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemsker, Eq., for the removal of this prejudice by proper tests, and from succuragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was four and mental with relief, and restoration to a demandance of the property of the present year, was four and mental with relief, and restoration to a demandance of the present year, was four and mental with relief, and restoration to a demandance of the present year, was four and mental with relief, and restoration to a demandance of the present year, was four and mental with relief, and restoration to a demandance of the present year, was four and mental with relief, and restoration to a demandance of the present year.

PHILADRIPHIA, June 23, 1861.

PROM THE REV. JOSEPH H. KENNARD, PASTOR OF THE TENTH BAPTIST CHURCH.

Dr. Jackson:—Bran Sir.—I have been frequently requested to connect my name with commendations of different kinds of Medicines, but, regarding the practice as out of my appropriate sphere. I have to all cases declined; but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hoodand's German Bitters. I depart for once from my usual course, to express my full conviction that, for general debitity of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail, but usually I doubt not it will be very benedicial to those who suffer from the above causes. Yours, very respectfully, J. H. KENNARD.

Eldsers selow Coates Street, Philadelphia, Dec. 24.

BR. C. M. JACKEON:—SIR—E gave me pleasure, two years ago, to give you a certificate testifying what the German filters had done for me. I am now perfectly cured of all those diseases your medicine processes to cure-vis: Dyspesia, Chronic and Mervus Debility, Diseases of the Kidneys, &c. The powerful influence it exerts upon nervous prostration is surprising. I have been consulted frequently in reference to your Bitters, and without heaitation have remmeRied to for the above complaints, and in every furstance it has effectually cured. Your medicine has a great repusation in Germantown, and is now sold in severy drug store; and is most of the groceny stores here. If any one should question what I say let them come to Germantown, and I will prove to their satisfaction that the Bitters have cured in this victuity more than twenty cases of the above cured in this victuity more than twenty cases of the above cured in this victuity more than twenty cases of the above cured in this victuity more than twenty cases of the above cured in this victuity more than twenty cases of the above cured in this victuity more than twenty cases of the above cured in this victuity successes. PRILADELFIRA, August 12, 1261.

Dv. C. M. Jaceson:—Dean Str.—While in Virginia, owing to the change of water, I was taken with a new Dina coa, which seemed incurable, and which greatly weak-need me. When we reached Martinsburg I feared I should have to come home; but noticing some of your Bitters in the store of Mr. H. H. Price, in that town, I purchased a supply, and on taking it was speedily restored to health. The diarrhous was quickly checked, and I experienced no return of it. A number of my comrades who suffered in the same manner, and from the same cause, with whon I shared the bitters, join me in this certificate. I expect to return to the seat of war with the Legion, and shall certainly take a supply of the Bifters in my knapsack. I would not be without it for its weight in gold, particularly on going into a linestone region. Yours truly,

Company H, Scott Legion.

This is to certify that we used HOOFLAND'S GERMAN HITERS while encomped at Federal Hill, Baltimore, and re satisfied that by so doing we escaped diarrhose, with rhich many or our companions were afficied, caused by hange of water. We believe it invaluable, and would not enthance without it while in a Sunthern country, if at all obtain—THOKAS B. RCCLASTIERY, EMANUEL SEES, Company K, Eighteenth regiment.
